Due to mounting problems within the Indian Government, TPI was unable to have Dr. Coke travel to India for the TPI annual conference. Dr. Coke taught this year via SKYPE (see above photograph). Dr. Coke taught live from his office in Charlotte from 12 midnight until 6:30 AM. The time in India was 9:30 AM until 4:00 PM.

(upper left) Dancers from the Timothy Program India campus located in the city of Mysore are doing the Jewish Hora dance. Dr. Coke is watching via SKYPE. Dr. Coke could see the audience and the audience could easily see Dr. Coke. This was the first year since 1984 that Dr. Coke was unable to visit India in person. The Indian Government has come against Christianity and banned all Christian ministers from entering India in 2017. (above right) Close up of the delegates listening to Dr. Coke teaching.
